2018 Fishing Reports

by Bob Diebold

April 13, 2018

Water is warming slowly as weather vacillates.

CHAIN O'LAKES: Crappie back in the channels, on glow ice jigs or Rat Finkees; walleye are fair, try trolling with Flicker Shads or Walleye Divers, or jigging using Lindy rigs; pike should be strong coming off the spawn, bluegill remain deeper (8').

FOX RIVER (Illinois): Walleyes below the McHenry Dam.

FOREST PRESERVES: Inland trout still being taken.

CHICAGO LAKEFRONT: Shore fisherman taking trout and salmon with spoons, crank baits, live bait and spawn sacks.

NORTHWEST INDIANA: Coho, lakers, and king action HOT from boats.

GREEN BAY/FOX RIVER (DePere, WI): Large walleye action HOT.
