Lake Front Fishing Heats Up Again

By Bob Diebold

It was a long, cool Spring but in case you didn't notice, we have Summer temperatures in full gear. Even with the warmer water temps, we are fortunate to have some dynamite perch fishing along the Lake Michigan shoreline from Memorial Day to Labor Day.

In July, the Arlington Anglers had a Perch and Salmon Tactics Seminar, compliments of Tony Boshold (www.tonybosholdfishing.com). Tony left us with a few ideas on how we might cash in on those 10 - 15" perch:

- Use 2-6 lb line. If fishing in deeper water from a boat, consider a using superline with a fluorocarbon leader.
- Live bait is the standby with minnows or soft-shell crabs.
- Use crappie rigs, slip bobbers, spinners, or just a plain hook.
- If the fish are aggressive, use jigging spoons tipped or bare.
- Fish over or just between weed patches.

seminar will be Fall Fishing Tactics on at Dick's in Schaumburg.

Perch fishing was closed in July in Illinois, so get out there now. In another month, we can start casting those spoons for those 4 year chinook salmon too!

This is a great time of year to seek out and try out a new fishing club. Looking for an outing, a new fishing buddy, or just some fishing information? You have a no-risk opportunity to see first hand what a club can do for you.

Join the Arlington Anglers at our annual picnic at Harper College Reservoir on 8/16.

It wasn't huge, but Don Taylor really enjoyed catching this pike on a June trip to Lake Delavan (assisted by Jim Martinez).
